

*"Just because you're not going on vacation,
doesn't mean your dog shouldn't."*

The only dog trip of its kind, **Northward Hound** offers dogs from New York City the chance to experience the seasonal splendor of New Hampshire. With eleven trips running from March through November, this "dogs-only" weekend excursion has it all...from swimming & hiking to boating & beachside strolls - Northward Hound offers something for every discerning dog. There's a trip to an area farm where Fido can experience barnyard regulars nose to nose and an opportunity to sample a taste of homemade yogurt from a local ice-cream parlor! Door to door service for pick-up and drop-off is included in the \$300 fee as well as a complimentary full-service bath. With no more than 6 dogs per trip, Northward Hound ensures attention and exclusivity for man's best friend.

Northward Hound is the brain-child of Jennifer Jill and Leeland Allen, both originally from the small town of Hopkinton, New Hampshire. Almost strangers when they met by chance in a New York City dog run, the two quickly bonded over their mutual love of dogs. Their immense respect for dogs led each of them to their own successful pet care businesses specializing in dog walking, pet sitting, boarding and light training after leaving New Hampshire. Seeing this as the perfect business opportunity to offer something different to dog owners, Northward Hound was established in 2008.

Northward Hound dogs not only experience all New Hampshire has to offer, but they return from their weekend adventures with their own personalized "gift bag" stuffed with some of New Hampshire's finest hand-crafted specialties from local artisans as a "thank you" for their travels. There are a few other surprises not to be missed and no two trips are ever the same, making this departure from traditional dog care a welcome option for New York City dog owners.

With over 10 years combined experience and acute attention to safety and fun, Northward Hound guarantees dogs an adventure they will never forget! 10% of annual profits go to NYC and NH area animal shelters. Northward Hound is a proud member of Pet Sitters International and is fully bonded and insured. For further information about Northward Hound please visit www.northwardhound.com.
